

ESL 349: Writing for International Graduate Students (offered face-to-face and online)

- Tuesday & Thursday: 11:00-12:15 pm (ESL 349-004) & 1:00-2:15 pm (ESL 349-001)
- Online Asynchronous (ESL 349-003)

- ❖ The course provides graduate students with an overview of English academic writing through short weekly writing assignments.
- ❖ Students will analyze the discourse of their chosen discipline and write about topics in their own field.
- ❖ The course covers varied types of academic writing tasks including summaries, formal definitions, critiques, data commentaries, and problem-solution texts.
- ❖ Focus is primarily on content and organization, with attention paid to grammar and vocabulary conventions as well.
- ❖ Credits: 3. Prerequisite: Graduate status
