

Chicago Quantum Recruiting Forum

April 23, 2021, 12:00 pm - 4:00 pm

The inaugural **Chicago Quantum Recruiting Forum** will bring together current quantum leaders from both academia and industry with the rising generation of quantum scientists and engineers. This forum is an outstanding opportunity for students to catalyze their careers and employers to recruit top talent.

Event Overview

Participants will explore quantum careers and academic pathways through an experiential, half-day immersion in quantum innovation. The forum will include guest speaker panels featuring quantum experts, a keynote address, sessions with leading researchers, and networking opportunities.

Participating Organizations

Northwestern
University

THE UNIVERSITY OF
CHICAGO

ILLINOIS
UNIVERSITY OF ILLINOIS AT URBANA-CHAMPAIGN

WISCONSIN
UNIVERSITY OF WISCONSIN-MADISON

Interested in Participating?

Participation is free and open to all students and faculty from the Chicago Quantum Exchange (CQE), academic and industry partners of the CQE, and any companies interested in hiring quantum-trained talent. To learn more and register, please scan the QR code.
